JURY TRIAL DEMANDED

DEFENDANT'S ANSWER TO PLAINTIFF'S PETITION

COMES NOW Defendant, Lester Cook, (hereinafter referred to as "Cook"), by and through his undersigned counsel, and for his Answer to the Plaintiff's Petition, hereby states as follows:

1. Defendant Cook is without sufficient information to affirm or deny the allegation contained in paragraph 1 of plaintiff's Petition, therefore denies same.
2. Defendant Cook is without sufficient information to affirm or deny the allegation contained in paragraph 2 of plaintiff's Petition, therefore denies same.
3. Defendant Cook is without sufficient information to affirm or deny the allegation contained in paragraph 3 of plaintiff's Petition, therefore denies same.
4. Defendant Cook is without sufficient information to affirm or deny the allegation contained in paragraph 4 of plaintiff's Petition, therefore denies same.
5. Defendant Cook denies each and every allegation contained in paragraph 5 of plaintiff's Petition not herein expressly admitted.
6. Defendant Cook denies each and every allegation contained in paragraph 6 of plaintiff's Petition not herein expressly admitted, and all subparts thereto.

7. Defendant Cook denies each and every allegation contained in paragraph 7 of plaintiff's Petition not herein expressly admitted.

8. As and for Defendant Cook's first affirmative defense, Defendant Cook states that the plaintiff fails to state a cause of action for which relief can be granted.

9. As and for Defendant Cook's second affirmative defense, Defendant Cook states that the damages of the plaintiff, if any, were caused or contributed to by the plaintiff's own negligence, carelessness and recklessness insofar as the plaintiff failed to stop, failed to swerve, failed to sound a horn, failed to take any evasive action at or near a time when plaintiff knew an accident was occurring or about to occur, drove in an excessive speed, and failed to yield the right-of-way to a vehicle that was or had entered the intersection prior to plaintiff's vehicle, such that the damages of the plaintiff, if any, were caused or contributed to by the plaintiff's own negligence, carelessness and recklessness and, as such, any verdict or judgment rendered in favor of the plaintiff should be reduced by the plaintiff's own comparative fault.

WHEREFORE, having fully answered the Petition of the plaintiff, Defendant Cook respectfully requests that this Court enter its Order dismissing the Petition of the plaintiff, with costs herein expended, and for any other further relief this Court deems proper and just.
